To Whom It May Concern,

It is with great confidence that we recommend Shelf PRO Agency for their outstanding merchandising services provided to our company.

Throughout our collaboration, Shelf PRO Agency demonstrated a high level of professionalism, organization, and punctuality. They approached every task with precision and commitment, ensuring that our products were consistently well-positioned and presented across all targeted outlets.

One of the key strengths of Shelf PRO Agency is their use of modern digital systems that allow real-time monitoring and follow-up of merchandising activities. This transparency enabled us to take immediate corrective actions when needed and significantly improved our operational responsiveness.

Moreover, Shelf PRO Agency stands out for their client-oriented approach. They focus on execution and results, working actively to meet the agreed targets rather than spending time on justifications or unnecessary explanations. Their proactive attitude and disciplined execution have been highly valuable to our business.

We highly appreciate their dedication and recommend them without hesitation to any company seeking reliable, tech-enabled, and performance-driven merchandising support.

Sincerely,  
Addisu Shevaye  
Director of the Sales and Marketing Department
